SUV E-BIKE

FOR EVERY OCCASION
AND EVERY TERRAIN.

01

TERRAIN

BATTERY

The E-SUV is suitable for all occasions and terrains, and all drive systems are powered by powerful and fully integrated batteries.

02

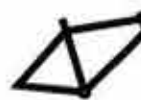

BRAKE

WIDE TIRES

Besides, it provides outstanding pedal support even in off-road conditions. Reliable and stable brakes, extremely elastic wide tires, as well as balanced geometry and stiffness of the frame provide riders with an extra safety protection.

03

FRAME

LUGGAGE RACK

The comfortable and highly suitable carrier is fully satisfied for riders' everyday use.
